Hi Rick:

The Melrose Business Improvement District is putting up holiday lights. The city has asked us to provide them with a Certificate of

Insurance. Could you please email a copy to me that I can then forward on to them?

Many thanks,

Kim,

This email is a follow-up to our conversation regarding the total operational costs for the Melrose Holiday Lighting. Please see attached copy of the approved Revokable Permit.

Here's the breakdown: 112 lights x \$10.00/ pole = \$1,120.00, as per item # 8 of the Final Agreement. Please make check payable to: City of Los Angeles or if you want to pay with a credit card, you'd have to come in to our office located at 1149 S Broadway Los Angeles, CA 90015.

Also, I need a copy of proof of insurance as per item # 2.

If you have any questions, please contact Mario Aceves who is cc'd in this email as I will be off the rest of the week.

Have a Happy Thanksgiving!

Best Regards,

Eddie

Hello,

The Fifth Council District supports this effort. I see a letter is needed from our office. We will send this to BSL today, but I wanted to ask if this email would suffice for now as evidence that we support the program so their application can go forward.

Subject: Permit for Holiday Lighting

Hi Fabian and Asaad:

I am applying for a temporary permit to affix decorative holiday lights to all of the light poles along Melrose Avenue from Fairfax to Highland Ave. Attached is the form you sent me earlier this year, filled out as requested. In our previous conversation, you had mentioned that the fee for this permit would be around \$600 or so. Could you:

1. Please let me know if any other forms are required?
2. How much the exact fee is?
3. Who the check should be made out to and where it should be delivered?

These are due to be installed by Black Friday (November 25th) so please let me know ASAP.

Many thanks,
Kim
